

**DEDICATED TO TODAY  
AND TOMORROW**

Friends of Barr Lake is dedicated to making a difference in aiding Barr Lake State Park in its mission to educate, conserve, and provide recreation for today and tomorrow. Donate to Friends and help keep these great resources around for the children of the future.

## FRIENDS OF BARR LAKE

Friends of Barr Lake is a non-profit organization dedicated to supporting Barr Lake State Park and its endeavors to educate the public in matters of natural history, provide a place to recreate, and conserve the habitats in the park. Friends accomplishes this by providing monetary support for educational programs, interpretive signs, and special events and projects. You can help with these goals by becoming a member of [Friends of Barr Lake](#). Annual memberships are \$20 for individual and \$35 for the family. Corporate levels are \$250, \$500 and \$1000 per year.

Membership includes a bi-monthly newsletter, a Friends membership pin, invitation to special Friends only events, and 10% off in the Barr Lake Bookstore. Corporate members will be listed in our newsletter.

*Your membership & donation is tax deductible.*

### Education

Friends is dedicated to public education at Barr Lake State Park. We provide necessary materials to make education about the natural world around Barr fun for everyone.

### Recreation

Parks are fun places for families to go. Friends realizes that recreation is an important source of revenue for the park. We are dedicated to helping provide a safe and fun recreational experience to visitors. One way we have done this is by purchasing paddle boats available to rent at the park. Friends has also supported special events such as the *Concert on the Prairie* and *Winter Wonders Holiday Trail*.

### Conservation

While education and recreation are important and fun things offered at Barr Lake, none of it would be possible without conservation efforts. Friends is dedicated to using funds to help conserve the natural habitats around Barr Lake. The riparian, prairie and lake habitats are all essential parts of the beauty that is the "Oasis" of Barr Lake State Park.
